

Can you help us 'bunting bomb' the Quedam,
Yeovil?

Be part of a town effort to create the longest bunting ever by creating your own bunting out of any suitable materials. Make a strip of bunting which we will join together. (Groups can incorporate their name/logo onto the bunting).

We will also be holding a bunting workshop on 31 July 2021

Front Yard Fest Yeovil is a community art festival in Yeovil and outlying villages. Join us by decorating the front of your home, including window/car/porch/garden/etc with flowers, sculptures, recycled art, bunting, banners, billboards, yarn bombing, scenes, whatever you like. This will create a walking art trail around Yeovil, 3 weeks of colour and sunshine!
